HON'BLE SHRI JUSTICE NOOTY RAMAMOHANA RAO

W.P. No.15934 of 2007

Heard the learned counsel for the petitioner and the learned Government Pleader for Revenue. With the consent of both the counsel, this writ petition is being disposed of at the admission stage.

It is represented that when objections were called for as part of enquiry under Section 5 A of the Land Acquisition Act, the writ petitioner filed her detailed objections on 19.6.2007. Thereafterwards, there are no developments such as publication of declaration under Section 6 of the Act, but however, the writ petitioner asserts that without publication of declaration under Section 6, the respondents are entering upon the lands belonging to the petitioner for the purpose of taking measurements etc., and thus causing dispossession of the writ petitioner. The further proceedings, which normally follow are not liable to be undertaken by the respondents without publication of declaration under Section 6. Therefore, the respondents are directed not to dispossess the petitioner till such time, the declaration under Section 6 is published and the follow up action is initiated thereafterwards.

With this, writ petition stands disposed of. No costs.
